New Heartbeat Format

We hope the new Heartbeat format will enhance our online component for those who are digitally on the go. Not online? That's okay! We will continue to put a printed Heartbeat in your mailbox. If we already send you publications via email, we will be transitioning away from putting a printed version in your church mailbox after Easter. If you would still like to receive the printed version, please email the church by April 11 to let us know. Printed versions will continue to be available on Sundays for our guests.

55+ Retirees & Senior Adults

The next gathering of the 55+ retirees and senior adults group will be for supper at The Trestle Stop at 5:00pm on Thursday, April 20. A special menu has been prepared for us and is available on the bulletin board near Pastor Kevin's office door in the back hallway. Ordering will be done at the restaurant and payment will be on an individual basis. Please sign-up no later than Sunday, April 16, if you plan to attend so the restaurant can adequately prepare. Also, check out some additional pictures on the bulletin board of our most recent breakfast gathering! Following supper on the 20th, there will be a presentation by God's Helping Hands Ministry. A free-will offering will be received to help support the ministry.

Attention Graduates

Are you graduating from high school or college this Spring? Did you graduate from college this past winter? We would like to celebrate with you! Fill out a graduate form and submit it to the church office along with a photo of yourself (forms are available in the church office or on the ledge outside the library. We will be honoring all of our graduates in May. Please contact the church office if you have any questions.

Prayer Concerns

- Jim Veldhoff has returned home again after a recent hospitalization due to complications following the recent removal of his gallbladder.

A Note of Thanks...

Thank you for all the well wishes, cards, meals, and flowers while we were helping my brother after his fall. He returned home briefly following rehab and has since been readmitted to Corewell Butterworth for an infection. We ask for your continued prayers for healing and as he transitions to a new reality once he returns home again.
