Congregational & Community News

Church Usage: The COVID

Transition Team and Consistory have approved the use of the church for gatherings, not related to church ministries. Please contact the office to schedule your gathering. ALL meetings, activities and gatherings must be scheduled through the office. The office has a new usage form that will need to be filled out which indicates your responsibilities for room set-up and cleaning. There will be a refundable \$50 deposit required for all non-church related gatherings. Thanks!

Youth Praise Team: The Youth

Praise Team will be starting this week Wednesday at 6:00pm for students 2nd-12th grade. They will be practicing in the Fellowship Hall.

Attention Secret Pals: Things sure are different this year, but the fun of having a secret pal is not! Watch the HRC Pulse in the next few weeks for details on how to sign up to participate in the secret pal program in 2021.

Address Directories: New

address directories have been placed in your mailbox (or mailed). Additional copies are available in the office. If you would like a PDF version, please contact the office.

James Challenge: You are invited to set aside time on four separate days of the week and encounter the book of James in a life-giving way. Study guides are included with the order of worship. Our sermon series will coincide with the James Challenge – come and hear a message on the passages you have been connecting with all week!

Nursery: The nursery will be open and available for usage but will not be staffed by volunteers. Guests who would like a place to care for their little ones during the service are welcome to head to the nursery where they will be able to watch the service via a TV screen. There will be a select number of easily cleanable toys that will be disinfected between uses.

Mozambique Mission Project:

Audio Scripture Ministries is in the beginning stages of assembling another container to be sent to Chad and Dara Vanden Bosch in Mozambique next spring. More information on what we can contribute and gather for the project will come when the list is complete, so watch the Heartbeat and HRC Pulse for more details. For now - washable hats (homemade or purchased) of all sizes (infant to adult), shapes and colors will definitely be needed, so get the needles out this winter and knit or crochet on those long winter evenings. Thank you for all your support!

Attention Snowbirds: We want to stay in touch with you! Before you leave for a warmer climate, fill out a snowbird form (forms are available outside the library). We can mail you the weekly HRC Pulse and the monthly Heartbeat, we can e-mail them to you, or you can find them online on our website. Return completed forms to the church office.

A Note of Thanks...

Thank you to the Women's Ministry for the beautiful mum. The plant was so very pretty. Almost every bud opened and they were light purple and pink, some so light they were almost white. Thank you! I have really enjoyed it.

Jean Hutt

Thank you to Women's Ministry for the beautiful plant. Thank you also to the congregation for remembering me on my birthday. All the cards and gestures of kindness were so much appreciated.

Ministry Prayer Requests:

- Please pray for Chad & Dara Vanden Bosch in Mozambique. Pray for successful audio Bible distributions and for those receiving God's word in their own language. Pray for the work of Dara and her team to the injured and sick in the area that the physical comfort given leads to understanding of where our only true comfort comes from.
